Wood file

ASSURANCES

Wilkes College attests to the following:

1. That in addition to owning the facilities described in the damage survey report, it has or will have a title in fee simple or such other estate or interest in the site, including necessary easements and rights-of-way, sufficient to assure for a period of not less than 50 years undisturbed use and possession for the purpose of the construction and operation of the facility;
2. That it will maintain adequate and separate accounting and fiscal records and accounts for all funds provided from any source to pay the cost of the project, and permit audit of such records and accounts at any reasonable times; and that claims for Federal reimbursement do not duplicate funding provided from any other source;
3. That it will provide and maintain competent and adequate architectural or engineering supervision and inspection at the construction site to insure that the completed work conforms with the approved plans and specifications; and
4. That adequate financial support will be available for maintenance and operation when completed.
5. That no amounts granted will be used for purposes prohibited by Sec. 1710.41 of the Federal Disaster Assistance Act.

September 7, 1972
