ALMA MATER

Words and Music by Eleanor C. Farley

Wilkes, our Alma Mater
We pledge our hearts to thee,
Honor, faith, and courage,
Truth and loyalty.
In our work as in our pleasure
Guide us as a friend;
We shall always love thee,
Loyal to the end.
Thou shalt lead us onward
In search of finer things.
May we find the wisdom
That thy spirit brings.
May our deeds of love and service
Ever swell thy fame —
Wilkes, we stand to greet thee !
Glory to thy name !

WILKES COLLEGE AT A GLANCE

Wilkes College had its beginnings in 1933 when Bucknell University, responding to a request of community leaders, established its Junior College in Wilkes-Barre. On June 26, 1947, Bucknell University Junior College came to an end and Wilkes College received its charter as a four-year, coeducational, liberal arts college. The College has grown slowly to its current enrollment of approximately 2,543 full-time day students and 682 part-time evening school students.

From its inception the College has been dedicated to these twin goals — a sound and stimulating intellectual experience for students and a program of service to the community.

Roland C. Schmidt, head coach, kneeling. Standing, left to right: Robert Corba, Robert Herman, Charles Adonizio, Richard Orlowski, Joseph Skvarle, Eugene Domzalski, Jonah Goobic.

Assistant Coaches

JONAH GOOBIC — Offensive Backs

Jonah was a three-sport athlete at Plains High School. Graduating from that Wilkes-Barre area institution in 1954, Coach Goobic was a standout football, baseball, and basketball player. He later matriculated at Bloomsburg State College, receiving a degree from that down-river institution in 1958. During his four years at Bloomsburg he played football and baseball. Jonah teaches at the Northwest Area High School, Shickshinny, and is first assistant and backfield coach at Wilkes. In the spring he serves also as an assistant baseball coach for the Colonels. Coach Goobic will be starting his ninth year at Wilkes.

★ ★ ★

CHARLES ADONIZIO — Offensive Line

A former Colonel line standout, Coach Adonizio played two years of football at the University of Pittsburgh before transferring to Wilkes where he played under Coach Schmidt. "Chuck" received his degree in Business Administration. He played high school football for St. John's

High School in Pittston and later attended the Fork Union Military Academy. At Wilkes, Coach Adonizio has been offensive line coach for the past six years. He is married to the former Catherine Fahey and is associated in business with the Addy Asphalt Company, Wilkes-Barre.

GENE DOMZALSKI — Defensive Line

Gene is currently beginning his third year as a Colonel coach. He played for five years in the New York Yankee chain before retiring in 1965. Domzalski is a localite, graduating from Newport Township High School where he paced the Nutcrackers in baseball, basketball, and football.

A graduate of the University of Wyoming, the Blue and Gold assistant led the nation in punt returns during his sophomore year. After guiding the Nanticoke Area Trojans to two straight baseball crowns and a PIAA District Two championship, Gene was appointed to the Wilkes College physical education staff last summer. He coached the Colonel baseballers to an 11-6 showing in his maiden year this spring. Domzalski is married to the former Arline Barnowski of Wilkes-Barre.

★ ★ ★

ROBERT HERMAN — Defensive Linebackers

Bob will return to Wilkes College for his second year. A 1963 graduate of Wilkes College, Herman was a center for the Colonels during the lean years between 1960 and 1962. He was a three-year Wilkes letterman and capped his grid career by being named to the MAC team.

Herman received his Master's Degree from Scranton University in 1967 and will remain in the Wyoming Valley West School District as a teacher and wrestling coach. He is a native of Nanticoke. He is married to the former Carol Wojciekowski and they are the parents of a daughter.

★ ★ ★

ROBERT CORBA — Defensive Secondary

Corba is another second-year returnee to the Colonels' coaching staff. He is a graduate of Abraham Clark High School in Roselle, New Jersey, where he played football and baseball. After high school he continued his education at Upper Iowa College, receiving his degree in 1966. He was formerly an assistant coach at Northwest Area High School. Corba is married to the former Alice Koury of Wilkes-Barre. The new mentor will remain on the physical education staff at Coughlin High School.

★ ★ ★

RICHARD ORLOWSKI — Defense

Dick is the newest addition to the Wilkes coaching staff. A native of Kingston, the now Colonel aid participated in baseball, track, and football for the Huskies, topping it off with Wyoming Valley All-Scholastic honors in 1958.

Moving on to Bucknell, he played three years of football for the Bisons before graduating in 1963. He gained his Master's degree in Economics from the University of Delaware and currently is a doctoral candidate at Rutgers University. Married to the former Virginia H. Zalewski, the Wilkes faculty member will work with the defense.

★ ★ ★

JOSEPH SKVARLA — Receivers

After starring at offensive end for Wilkes be-

tween 1965-68, Joe returns back to his Alma Mater with a different role in 1970. Regarded as the top pass catcher in Colonel history, the new Blue and Gold assistant mentor still holds six school marks. Among honors garnered during his career include: All American, All State, All East, and All MAC.

Joe is currently working in the Wilkes-Barre school system and serves the Colonels on a gratis basis. He is a life long resident of Plymouth.

Head Coach

ROLAND C. SCHMIDT

Roland Schmidt will begin his ninth season at the helm of the Wilkes Colonels this fall. During this time he has compiled a 44-18 record (.710 percentage) which ranks him 20th among college division coaches in the nation today.

From 1965 to 1969 his squads terrorized the Middle Atlantic Conference and other eastern independents, winning 37 of 40 contests. Included in this impressive total are five straight Northern Division MAC titles (1965-69); two Lambert Bowls, symbolic of ECAC Division III supremacy (1966, 1968); three straight undefeated seasons (1966, 1967, 1968); and a 32-game winning streak, the third longest in the history of NCAA College Division.

Not to be outdone on other fields of sport, Schmidt coached the Wilkes baseball team from 1962-69, and this spring assumed the duties as the golf mentor. His 1968 and 1969 baseball teams combined for a 22-5 record, which included an MAC championship in 1968, by far one of the few coaches to ever gain dual championships of major sports in the same year. Although loaded with underclassmen, Coach Schmidt guided the Colonel duffers to an 8-3 record in his first year of golf coaching this spring.

A 1950 graduate of Wilkes-Barre Coughlin High School, "Rollie" took part in football, wrestling, and track. He attended Bloomsburg State College for two years before serving a two-year stint in the Army. Returning to Bloomsburg upon the completion of his military obligation, the Colonel head participated in football and track for the Huskies.

His coaching career began at Clarks Summit High School where he served as head wrestling coach and as assistant in football and track for three years. Schmidt put in another three-year tour with Kingston High School as an assistant before moving on to Wilkes in 1962.

The Story of College Football—Circa 2070

by JOHN MOONEY, Sports Editor, Salt Lake City Tribune, President, Football Writers Association of America

"Surely, that bicentennial of college football celebration was a great promotion last fall, and the news media got a lot of mileage out of the Third-50-Year and the Second-Century All-Time teams.

"One guy attempted to pick the greatest stars of two centuries of college football and chose a couple of guys named Heffelfinger and Nagurski.

"Now, sonny, you're a cub reporter and I know your generation doesn't trust anyone over 65, but let me tell you about the guy whose likeness should have been on the Bicentennial medallion.

"You probably never heard of Coach Joe Smith. He's the guy who should have been honored. But let me take you back to your grandpop's day to show you why . . .

"Medical men credited improved diets, vitamins, hormones and weight programs with developing super humans. Why, by the year 2000, the All-America offensive guards stood 6-11 and weighed 300 pounds and they could run the 40 in 4.2 seconds.

"Players grew so big there was agitation to widen and lengthen the football field, which was getting as congested as the area under the basket in the ancient game of basketball.

Field Goals Outlawed

"The field goal, which is mentioned frequently in the first 100 years of football, had been voted out. Kickers were booting them from one goal line to the other, so there was a rule passed outlawing the field goal attempt.

"The whole kicking game went out of football at the turn of the century. The shattering crash of those huge linemen mashing each other on the punts and kickoffs had become so devastating the kicks were outlawed to cut down on the carnage.

"You never saw a football coach in those days, except on the television programs. They had left the sidelines and retreated to their command headquarters deep in the bowels of the stadium.

"You couldn't believe these rooms. Coaches were surrounded by closed circuit TV sets, instant replay cameras and micro-wave transmitters beamed to each player on the field and the bench.

"Each coach had a broadcast band, aimed at the players under his command. The defensive coaches had their sets tuned to the front four, the line-backers and the deep backs.

"Across the room the offensive assistants had their head sets beamed to the quarterback, the wide receivers, the interior linemen and the running backs.

Computers Everywhere

"Computers were everywhere in this room. The instant replay was geared to one computer which could break down a play offensively and defensively in micro-seconds.

"Players did not call offensive and

defensive signals; their coaches watched the computers' monitors and yelled instructions to the individuals as the action developed.

"There even was a special counter-intelligence unit in the stadium I visited. There, coaches and computers worked to break the code used by the rival coaches to convey instructions.

"Some coaches, who put winning ahead of ethics, were said to use their facilities to jam the wave lengths of the opponents, and more than one game allegedly was won when the defensive back lost contact with his instructor, when his wave length went dead or was jammed.

"It was the opening game of the 2025 season that Coach Joe Smith revolutionized, yea, saved college football.

"Historians of the First 100 Years can speak of the game's innovators—Rockne, Zupke, Warner, Shaughnessy, Faurot, Yost—and Stagg—but on this afternoon Smith stood two feet higher than any coach in history.

"Actually, it all started when Coach Smith, in scanning some old rules and regulations, discovered the rules committee had outlawed the use of all instant replays and electronic devices as coaching aids back in the latter years of football's first century.

"Coach Smith checked quietly and found the rules had not been relaxed. Here was a football 'blue law' which hadn't been enforced in 50 years, but it still was on the books.

Individual Initiative

"Smith worked all spring stressing individual initiative in offensive and defensive drills. He gave the entire offensive burden to the quarterback and the defense to the unit captain.

"All electronic gadgets were banned from practice. The coaching staff moved back to the sidelines.

"Just before the opening toss for goals, Smith pulled out his old rule book and his opponent was shorn of his electronic gadgets and his Black Room deep in the stadium. With no coaching help, the rival players were in a shambles and Coach Smith won easily.

"Rival coaches were quick to demand a change in the rules.

"Some called Coach Smith 'anti-quoted' and a 'nit-picker' who did not have the best interest of the game at heart. The Football Coaches Association issued a White Paper to its members and the press corps, warning that the public would never accept such an inferior, non-electronic product.

"The ruling made in the 1960's had to stick, sonny, and you know what happened before the Rules Committee could meet to change the rules?

"The next Saturday football fans by the millions, who had become accustomed to watching the game at home on TV, suddenly wanted to be a part of the action. The college football stadia around the country were jammed to watch this 'new philosophy' of football.

"The long run and the touchdown bomb, almost unheard of in the highly scientific game of electronic gadgets, became popular.

"The scrambling quarterback, who could turn a busted play into a thrilling gain, the fine running back who broke loose because of his desire and second effort, the defensive ace who dared try something different, became the new heroes.

"Suddenly, college football was a fun game again, sonny.

"A lot of rival coaches used some fancy names to describe the changing game, and mostly, Coach Joe Smith kinda faded from the scene and the glory.

"But I remember (I was just a cub reporter like you, in those days) the quote Coach Smith gave us after that BIG GAME:

"'All I did was give the game back to the boys,' he said. 'And they liked it and so did I. It was fun and I'm glad to see the fans agreed.'

"And that, sonny, is why you and I are here this afternoon watching college football, along with millions of fans across the nation.

"It's the greatest game in the world, but except for Coach Joe Smith, they would have killed it."

LOVELAND GAINS LAURELS—The Eastern Collegiate Athletic Conference has cited Wilkes College interior linebacker Jim Loveland to this week's ECAC "Division III" All Star team for his brilliant play in Saturday's 16-14 upset win over previous undefeated Alfred University. The announcement was made this morning by the ECAC Service Bureau.

Shown above, left to right, are Loveland, Coach Dick Orlowski and Coach Eugene Domzalski.

Loveland, a 5-11, 205 pound senior was outstanding in the Colonel victory, accumulating thirteen individual hits and seven assists. The three year letterman sustained an injury earlier this year, keeping him out of the Colonels first two games, but has come up strong in recent weeks with 28 tackles and 23 assists.

Unbeaten Alfred Meets Wilkes Here Saturday

Colonels Out For First Win

Out of Lambert Bowl contention for the first time in five years, the Wilkes College Colonels could have a definite say in this year's outcome as they entertain the Saxons of Alfred University, Saturday afternoon at Ralston Field. Kickoff time for the annual Parents Day contest is slated for 1:30.

PAT RATCHFORD

Alfred, ranked second this week in Lambert rankings with a spotless 5-0 record, is one of two undefeated small college grid teams in the east.

After capturing Lambert Bowl honors in 1966 and 1968, plus respective second and third place finishes in 1967 and 1969, the Wilkesmen are undergoing one of their most frustrating starts in history.

JEFF GRANDINETTI

The Blue and Gold, still winless on the season with a 0-1-3 record, have lost three games by a total of 12 points. The charges of Coach Roland Schmidt are definitely ripe for the upset.

Saturday's meeting will be the first between the two schools. Alex Yunevich, in his 30th year at the helm of the Saxons, enters this contest with a 137-73-10 record while Schmidt has a nine year 44-21-1 total.

Overlooked by defeat in this year's season has been the Wilkes defensive "front four." Led by two-time All-East weekly selection John Mazur and senior co-captain Harry Hoover, the Blue and Gold have limited opponents to only 446 yards rushing this fall. The heart of the Alfred offensive attack lies with its massive rushing machine which has netted 1032 yards in five games, thus creating a major challenge to the Wilkes defenders on Saturday.

Joining Mazur and Hoover in this week's combat will be a pair of underclassmen, Pat Ratchford and Jeff Grandinetti.

Ratchford, a 6-1, 195-pound sophomore defensive end from Duryea, has been outstanding in early season play, tagging enemy runners for 18 tackles and 16 assists. A graduate of Pittston Area High School, Ratchford was a 10-letter winner in football, baseball and basketball while at that Yatesville institution.

A surprise insertion in the second half of last week's game was Grandinetti, a 6-2, 215-pound freshman defensive tackle from Lakewood, N. J. Grandinetti impressed onlookers and Coach Schmidt by garnering seven tackles and three assists in his first 30 minutes of varsity play.

Kaschak's 22-yd. Boot Leads Wilkes

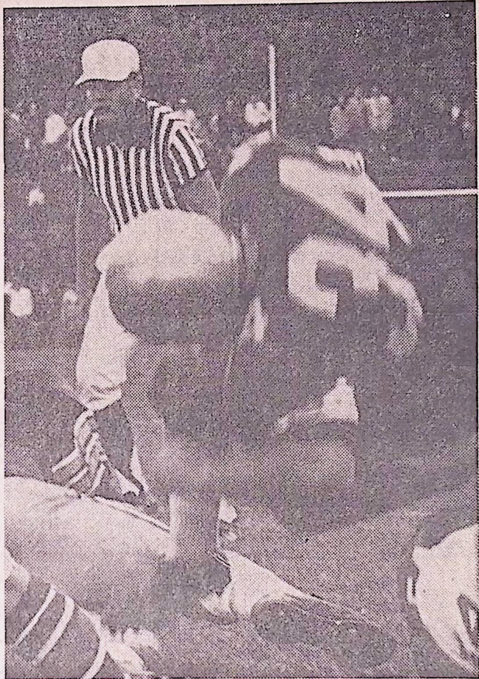

The educated toe was worth a lot of points to some teams in Pennsylvania College football over the weekend with a 22-yard boot by Dave Kaschak. Wilkes College, credited with sparking the Colonels on the way to upset previously undefeated Alfred, 16-14, at Ralston Field in a Parents Day thriller.

Wilkes came back from a 14-point deficit to edge Alfred grid-ders who had a 5-0 mark going into the contest here plus ranking as number two in Lambert Bowl balloting last week.

Sophomore Quarterback Jeff Giberson was individual star for the Wilkesmen, now 1-3-1 on the year, as he completed 17 of 34 passes for 210 yards.

Number of attempts and completions broke the old standards of 32 and 16 established in 1968 by Rick Simonson.

Giberson added an encore to his brilliant passing performance by scoring the winning touchdown from the one yard line late in the fourth quarter.
