Lebanon Valley College

LEBANON VALLEY COLLEGE

Lebanon Valley College is a Christian Liberal Arts College affiliated with the Evangelical United Brethren Church and located at Annville, Pennsylvania, where it was founded in 1866 by members of the East Pennsylvania Conference of the Church of the United Brethren in Christ.

In a building donated by the now defunct Annville Academy, it began operation on May 7, 1866, under the presidency of Dr. Thomas Rees Vickory, who served in his office for five years.

The present student body of 835 is a far cry from the student body of 49 which filled its class rooms. The same could be said concerning the contrast between today's campus and curriculum and yesterday's facilities and academic offerings.

Nevertheless, though the face of the campus has been lifted in these respects, Lebanon Valley College, through its board of trustees, administrative staff, and faculty, has endeavored to adhere to its initial objective of being a coeducational institution of high standards of scholarship in a Christian atmosphere.

The Alma Mater

1.

To thee dear Alma Mater, this ringing song we raise,
A song that's fraught with gladness, a song that's filled with praise
We cannot help but love thee, our hearts are full and free.
Full well we know the debt we owe, to dear old LVC.

2.

We come from old New Hampshire, where winter breezes blow.
And from the sunny Southland, where sweet magnolias grow
We've sung "Star-spangled Banner," to "Dixie" given a cheer;
And now we raise this song of praise, to Alma Mater, dear.

3.

Ye sons of Lebanon Valley, put forth your strongest might;
And let our Alma Mater win each and every fight.
Lift high her royal banner, and keep her honor clear;
And let our songs with voices strong, ring down through many
a year.

4.

And when we're old and grey, dear, with children on our knee
We'll teach them how the alphabet begins with LVC,
We'll teach their tiny fingers to point with pride and glee.
The dearest place on earth to us, is dear old LVC.

Lebanon Valley Fight Song

Tune: "76 Trombones"

Lebanon Valley's team is the best by far,
Lebanon Valley men are we.
So let's give a big hur-ray for the team that leads the way,
And cheer them on to victory.

Lebanon Valley's team makes us proud to be
Lebanon Valleyites through and through.
So let's give a rousing shout and help the fellows out
To win, the way we always do.

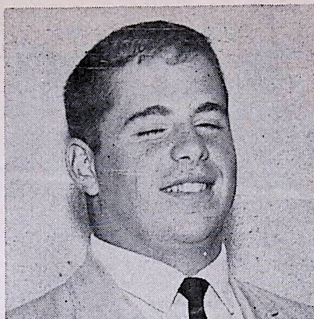

Down, the field in all their glory march the blue and white,
Cheer them on, cheer them on, let them know we're here.
The other team has never seen a greater sight;
Make 'em fight! There's not a thing to fear.

Down the field in all their glory march the blue and white,
On the beam, what a team, here to save the day.
Valley's men are brave, their hearts are true,
They'll win the game for me and you
Hur-ray! We're Dutchmen all the way.

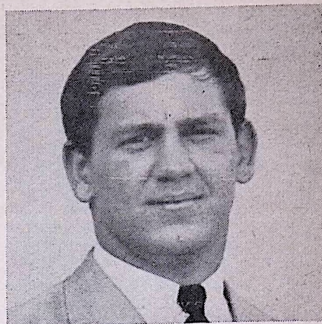

So let's give a big hur-ray for the team that leads the way,
Lebanon Valley's team is the best by far,
Lebanon Valley men are we.
And cheer them on to victory.

College Football - - An American Institution

This year, 1966, and the eight-day span of November 12-19, has been officially designated COLLEGE FOOTBALL WEEK by the National Collegiate Athletic Association and the American Football Coaches Association. Many great Americans have referred, some with considerable eloquence, to the place of football in our free society.

When President Lyndon B. Johnson received, in January of this year, the Tuss McLaughry Outstanding American Citizen Award from the American Football Coaches Association, he unmistakably spoke his personal conviction that the game of football and the men who coach it make significant contribution to the strength of this nation and its people. Among the things he said were these:

"Football is really and truly an American institution. It embodies our highest ideals of character and courage . . . Presidents and Cabinet Officers and justices and leaders in every walk of life have first learned the lessons of discipline, of dedication, out on the athletic fields of the United States.

"There is not a day passes that I do not see the results of the training that you have given our young people; first, on the battlefield; second, in our services throughout our installations in the Continental United States; third, in the far-flung corridors of various offices that I attempt to direct and whose personnel I attempt to lead.

"If all the nations in the world would conduct their affairs with the same dedication and with the same fair play and with the same friendly competition that the game of football stands for, peace would have been secured a long time ago."

We couldn't agree with President Johnson more. In behalf of those we represent, we are proud to be a part of such a significant activity—a great sport inherent to this nation's system of higher education.

THE BLUE AND WHITE MARCHING BAND

DIRECTED BY BOB GOODLING, DRILLMASTER

AND DON KITCHELL, DRUM-MAJOR

Lebanon Valley's Blue and White Marching Band is a 90-piece musical group which combines exceptional playing ability with good physical bearing and marching precision. Membership is on a voluntary basis and is comprised of both male and female students from all curricular areas of the campus. College credit is available to each performing Bandsman.

Under student direction, the organization maintains a remarkable "esprit de corps". Performing at all home football games, the Blue and White Band also accompanies the team to certain away games each year. It is the purpose of the Marching Band to create a musical enthusiasm and spirit for the fall athletic season that will remain throughout the college year.
