

Brown's Ledger Transcription

Page 1: going across from left to right

- *Monday, October 4, 1897*
Script Number: 1
Date written: October 1, 1897
Prescriber: Dr. Rudy
Date filled: October 4, 1897
Rx: acidi borici (sat sol), hydrogen peroxide (?)
Sig: Use in atomizer every 2 hours
- *Tuesday, October 5, 1897*
Script Number: 2
Date written: October 1, 1897
Prescriber: Dr. Rudy
Date filled: October 5, 1897
Rx: 1 atomizer
- *Friday, October 1, 1897*
Script Number: 3
Date written: October 1, 1897
Prescriber: Dr. Gates
Date filled: October 1, 1897
Rx: Pot bromide, pot iodide, syr aurant
Sig: One half teaspoonful in water by mouth 3 times a day.
- *Friday, October 1, 1897*
Script Number: 4
Date written: October 1, 1897
Prescriber: Dr. Gates
Date filled: October 1, 1897
Rx: Unfortunately, this prescription is faded and falling apart due to old age, so it is hard to make out what the medication prescribed was. It looks as though it was written for some type of iodide, potentially potassium iodide. This would be similar to the previous prescription, which was also filled and signed by Dr. Gates.
Sig: **M.S.?** Take one teaspoonful every 3 or 4 hours.
- *Saturday, October 2, 1897*
Script Number: 5
Date written: October 2, 1897

Prescriber: Dr. Walker

Date filled: October 2, 1987

Rx: Pepto Manga (Gudes)

Sig: One teaspoonful by mouth 3 times daily after meals.

- *Sunday, October 3, 1897*

Script Number: 6

Date written: October 3, 1897

Prescriber: Dr. Gates

Date filled: October 3, 1897

Rx: ?

Sig: M.S.? one teaspoonful every 4 hours

- *No date visible, most likely October 1897*

Script Number: 7

Date written: No date is visible due to rips. The prescription was most likely written in October of 1897.

Prescriber: Dr. Haggerty

Date filled: No date is visible due to rips. The prescription was most likely filled in October of 1897.

Rx: Prescription is illegible due to rips.

Sig: Teaspoonful every 4 hours.

- *Monday, October 4, 1897*

Script Number: 8

Date written: October 4, 1897

Prescriber: Dr. Rudy

Date filled: October 4, 1897

Rx: strychnine sulph, tr ferri chloride, potass chlor, glycerin, aq menth pip qsad

Sig: One teaspoonful by mouth every 3 hours.

- *Monday, October 4, 1897*

Script Number: 9

Date written: October 4, 1897

Prescriber: Dr. Haggerty

Date filled: October 4, 1897

Rx: Potassae iodide, ?, ?

Sig: Teaspoonful three times a day

- *Tuesday, October 5, 1897*

Script Number: 10

Date written: October 5, 1897

Prescriber: Dr. Walker
