THE HONORABLE MAX ROSENN

(1910-2006)

THE HONORABLE MAX ROSENN
Senior Judge - United States Court of Appeals

Judge Max Rosenn's long career as a public servant spanned many fields, including law, philanthropy, public welfare, health and religion. He made innumerable contributions to the enhancement of northeastern Pennsylvania, to state government, and to the federal judiciary. Following the Hurricane Agnes Disaster of 1972, he played a vital role in the rehabilitation of Greater Wilkes-Barre and its many neighboring communities as chairman of the Flood Recovery Task Force for Wyoming Valley.

After receiving an undergraduate degree from Cornell University and a law degree from the University of Pennsylvania, Judge Rosenn commenced his legal career. He interrupted that career to enter military service in World War II. After several years in the South Pacific, he returned to his wife and sons and resumed the practice of law. He entered state government in 1966 as secretary of public welfare for the Commonwealth of Pennsylvania. As secretary, Judge Rosenn also served as a member of the cabinet of Governor William W. Scranton and in the cabinet of his successor, Raymond Shafer, and as chairman of the Governor's Council for Human Services. Following his resignation as secretary and resumption of the practice of law, he served as chairman of the Pennsylvania Human Relations Commission and chairman of the Legislative Executive Task Force to Restructure Human Services for Pennsylvania. He also served as a member of the 1968 Governor's Commission to Revise the Public Employee Laws of Pennsylvania. President Nixon appointed him to the United States Court of Appeals in 1970.

He and his late wife, Tillie, lifetime residents of the Wyoming Valley, have two sons, Professor Keith and Dr. Daniel, and six grandchildren.

In recognition of his exceptional contributions and his warm relationship with them, Judge Rosenn's former clerks and former law firm Rosenn, Jenkins & Greenwald, with the assistance of his family and friends, established in 1980 the Max Rosenn Lecture Series in Law and Humanities.

GUEST SPEAKER

SENATOR RICHARD LUGAR

Distinguished Former Senator, Senior Statesman and Authority on Foreign Affairs

Dick Lugar is an unwavering advocate of U.S. leadership in the world, strong national security, free trade and economic growth. The fifth-generation Hoosier was the U.S. Senate's most senior Republican when he left office, having served from 1977 to 2013. He established the Lugar Center, which is dedicated to solving 21st century problems by educating the public, policymakers and future leaders on critical issues by providing a timely forum for the best analysis and respectful discussion of remedies.

Sen. Lugar graduated from Denison University and attended Pembroke College at Oxford University as a Rhodes Scholar, studying politics, philosophy and economics. He volunteered for the U.S. Navy in 1957. He manages his family's 604-acre Marion County corn, soybean and tree farm. Sen. Lugar received the Presidential Medal of Freedom in 2013.

He was a leader in reducing the threat of nuclear, chemical and biological weapons. In 1991, he forged a bipartisan partnership with then-Senate Armed Services Chairman Sam Nunn (D-Ga.) to destroy these weapons of mass destruction in the former Soviet Union. To date, the Nunn-Lugar program has deactivated more than 7,500 nuclear warheads that were once aimed at the United States.

As chairman of the Agriculture Committee, Sen. Lugar built bipartisan support for 1996 federal farm program reforms, ending 1930s era federal production controls. He has promoted broader risk management options for farmers, research advancements, increased export opportunities and higher net farm income.

Richard Lugar and his wife, Charlene, have four sons and 13 grandchildren.

"It gives me pleasure to offer an encomium to the Law and Humanities Lecture Series that was established by the late Max Rosen 25 years ago. Certainly I enjoyed speaking at Wilkes University in 2001, and it caused no pain that I was in the company of such previous lecturers as Justice John Paul Stevens, Doris Kearns Goodwin and the late Senator Paul Simon. The finest moment was, however, meeting Judge Rosen. What an exceptional and distinguished man he was."

—The late Norman Mailer, Novelist, Biographer, Historian

"Judge Rosen was a very special man who had a great passion for the truth, not only in the law. He was clearly an inspiration to those fortunate young lawyers on his staff. I was enormously touched by the affection between the judge and generations of men and women who worked with him and learned from him."

—Robin Wright, Author and Chief Diplomatic Correspondent for *The Los Angeles Times*

"Judge Rosen was a remarkable man — a real star! I knew him through his son, Dan, who is also a star — how about that for genetics? He was intensely interested in babies and families. He joined me in his fervent desire to understand and do well by them. Our talks together over the years inspired me to try to live up to this remarkable man. He was a beacon of passionate involvement for all of us. I was surely honored to be a lecturer in his name."

—T. Berry Brazelton, M.D., Author, Educator, Renowned Pediatrician

"I remember the evening at Wilkes as if it were yesterday. The love that everyone had for Judge Rosen made the lecture one of those unforgettable experiences. His warmth and openness was truly contagious and everyone had a wonderful time. His memory will forever grace this special lectureship."

—Doris Kearns Goodwin, Ph.D., Author, Historian, Political Analyst
