Dear Judge Rosenn:

Your recent letter has crossed my desk, and I want you to know how much I appreciate your thoughtfulness in writing me about passage of the flood relief legislation I proposed. There is so much to be done, but there is also so much courage and determination among the residents of the Wyoming Valley that I have every confidence that you will bring your communities back -- better than ever.

With my best wishes,

Sincerely,

Honorable Max Rosenn

Dear Judge Rosenn:

Following the terrible devastation caused by Tropical Storm Agnes, we launched the largest Federal flood relief program in our nation's history. Frank Carlucci, my personal representative in the hardest hit areas of Pennsylvania, has called my attention to your important contributions to that historic effort, and I want to join with him in expressing my deep appreciation to you for the outstanding job you did as leader of the Flood Recovery Task Force.

I hope you and your colleagues will always take great pride in having played a key role in bringing not only vital assistance, but also renewed hope to the flood victims in Pennsylvania. You have my congratulations on your distinguished service and my very best wishes for the future.

Sincerely,

Honorable Max Rosenn
