Office of the Adjutant General
Department of Military Affairs

Dear General Mier:

This will acknowledge receipt of your report covering the activities of the Pennsylvania National Guard during the disaster recovery operation following Hurricane Agnes. I thank you for your thoughtfulness in sending the report to me. I shall review it at my earliest opportunity.

In behalf of the Flood Recovery Task Force and myself personally, I want to express our appreciation to the Pennsylvania National Guard for the magnificent service it rendered during the disaster recovery operation. I had an opportunity to view them personally and received reports from time to time on their activities. They were well organized, delivered effectively, and earned the respect and gratitude of this whole Wyoming Valley. I recall that Wilkes College was most distressed when the National Guard was pulled out from their campus. This was a welcome change in attitude on the part of at least one student body toward the National Guard and I think it was entirely due to the effectiveness of your organization. It created a splendid image in my opinion for the National Guard, not only in Pennsylvania, but throughout the country. We congratulate and salute you, your staff and each and every member of the Pennsylvania National Guard for a job well done.

Sincerely yours,

MAX ROSENN
Chairman
