Judge Rosen, please accept our heartfelt thanks.

Your generous gift to our Flood Disaster Aid Fund which you sent to Judge Max Rosenn, and which he, in turn, presented to this office, is gratefully acknowledged and deeply appreciated.

This demonstration of concern is a source of great encouragement to us. It is good to know there are friends who are ready to come to our assistance at a time when such assistance is so desperately needed.

You may be sure your gift will be used constructively, to ease the burdens of the victims - to help them restore their lives to normalcy as quickly as possible.
