Dear Oscar:

Thank you for your letter of December 4th advising me of your efforts to expedite the delivery of building materials in this area. I appreciate copies of the correspondence which bring me up to date on what has been done. As usual, you do everything well and this is no exception.

It was a great pleasure to have you at dinner with us Saturday night. I also want to express the appreciation of the Flood Recovery Task Force for your interest, your cooperation and worthwhile assistance.

Seasons Greetings to you, Merry Christmas and best wishes for Good, Healthy and Happy New Year.

Dear Judge:

This is in response to your letter to Bill Conner expressing concern over the shortage of building materials in this area.

I have contacted Mr. Ed Yarney of the Builders Contractors Association of Wyoming Valley, Inc., as well as Mr. Conyngham of Eastern Pennsylvania Supply Company, concerning this matter and requesting Mr. Conyngham furnish me with the names of his suppliers in order that we might have them expedite materials to this area. The attached letters should remedy this situation.

If we can be of further assistance to you in this or other matters, please advise.

Kindest personal regards.

Sincerely,
