

4. June 1878

My dear Middlemore.

I have no places  
in the Ladies' Gallery for  
Friday, but the atten-  
dant has very kindly  
said he will let your  
two friends in if they  
will give their names

to him at the door. I  
think they had better  
be there ~~at~~ by 2  
as it is a morning  
sitting. I expect to  
put of London on  
that day or I would  
meet them.

Yours very truly  
Henry Wood
