Charles F. Wells Esq
My dear Sir

Dear Sir

Both branches of the Legislature adjourned on Sunday last to meet again on the 2^d of Jan^y. the Christmas Session is going in principle to pass a very little business of a public nature has been done so far, a number of bills of a private nature has been introduced, there is quite an opposition in the Legislature this session to the canal, but I think the friends of the canal have a majority, the conduct of some of the Canal Com^{rs} has made the project unpopular in some sections of the State; I have called up the item of unfinished business respecting the undivided land in Old Springfield Township to refer to Mr. Demison, Dr. Parkhurst of Lioga and myself, I wish you to write to me and give me your views on the subject, you will please write soon as we want to report a bill as early in the session as possible; make my compliments to Mrs. Wells and family and accept ^{for yourself} the assurance of my warmest friendship
