

Newark city July 2 - 1888

My dear Friend

Alfred B. Street
whom you know as a poet
would like to accompany
you in your proposed trip
West, to add to his collection
of poems I would be pleased
if you would gratify him
with an opportunity of going
please write him as to
the prospect directed care
of James Bell Eoy atgor
No 1. Park Place Newark
city

Yours

Sir,

It is impossible I
regret to say. The number
is limited, was long since
made up, & I have been
compelled to decline 20
applications for old friends
earlier than yours

In great haste

Yr truly

George C. Clegg
