MISS CARO REYNOLDS STRONG

My dear Mrs Stets:

About two years ago I was looking over
a few papers belonging to my father's
Estate noticed a slip of paper with
a few penciled items one of which I recall
seeing the name of Saylor & a sum
mentioned. I inquired at the time
whether it was worth saving but
it was destroyed with others, so my father
did have a business deal with
Mr. Saylor. It was so long, long ago
the matter seemed closed being satisfactory
