

14.

Lydia Atherton - 1820 - 1882 -

sister of Sarah Atherton Henry.
She never married & lived with
her sister and her family -
She was a "Millerite" - a
sect which set the date
for the last judgment. When
that day came, the faithful
put on their ascension
robes and went up on the
house tops - I think she has
a very lovely face - Her
brother was Thos. Ferrier Atherton
- who built our Wilkes-Barre
house - (Melaine Updegraff)
