

~~Sally - at 12 - (for Director (dress etc.
high black buttoned shoes,
black stockings.~~

Sarah Henry Atherton at about 17 yrs of Age - 1901.
before Empyema turned her into a hunch-back,
an enlargement of one in a group. I remembered my
duty to look peaceful & pleasant (worlds leading
hypocrite & compulsion neurotic).

A portrait, discarded in the trash can, by
Eleanor Barnard, posh painter of English nobility
brought to this country ~~by~~ the first Henry Ford, to
paint his grandchildren.
