Lilano - Talon

Colbert de Mankvür's sketch of Agalun (45)
made in 1798. See his Voyage edited qsm-034
by Gilbert Chinard 1935. -qsm-035

This photo made by Cutler, not reproduced.

Courtesy of G. Chinard and Comte de Senece

The trees in background are probably
young Lombardy poplars, not galled trees
suggested by C. M.

1938.
