

Charles Butler Esq.

Sir?

In answer to your note requesting me to inform you how many School districts there are in the State and how many are accepting and how many non accepting. I have the honor to state.

1. The whole number of districts on the State is 1033.

2 The State appropriation has been this year paid to 824

But it appears that about 44 districts have not yet rec'd their appropriation, and it is presumed are entitled

Making as near as can be ascertained at present {	<u>44</u>
868 accepting districts	868

Non accepting districts	<u>165</u>

Whole number of districts	<u>1033</u>
---------------------------	-------------

The above Statement is Substantially Correct

I am yours truly
