Esteemed Friend

I beg leave to inform you that James
Graham has obtained a Judgment last
Court against you but Mr. Traill tells me
it can be taken off if you come down today
or two before Court and can have it tried
by a Jury if you desire it - Mr. Traill
told me he would write up to you but when
then he has or not I beg to dine from
you I hope you have seen the dated laws
concerning the Wyoming affair I have
none of them at present I have them in a
packet sent up to me but is not yet come
