Dear Mr O'Donoghue,

I am exceedingly obliged to
you for your kind letter & for the trouble
you have taken on my behalf. Please
accept my best thanks.

The scholarship won was
for Harmony & Counterpoint, in 1891.
perhaps I shall be able to get the data
before the article goes to press. It is
very likely that they aren't in any

great hurry.

I hope that some day I may have the pleasure of meeting you, & talking over our memories of George. I did not get to know him till 1903 and the years just before that were almost the most interesting in his life. You have given me many little glimpses of him during those years, & for that I am very thankful. Please come to see me if you are ever in town, that will be a great pleasure to me.

With many thanks,

Believe me

Yours very sincerely
John MacFarland.
