My dear Sir
 You shall have a short
 paper by the 14th but
 how do you illustrate - I
 have sent for but not yet
 received the magazine -
 and I shall see your cuts
 but how long do you want
 to do them - perhaps
 longer only a few lines
 like this

which one can generally do
 what we need with.?

Here are some seed seals

I can't get a nice one
to day. the weather is
cold and makes edges rough

- note the motto is supposed
to be put on three sides
- note three times said - it
is only "To day"
