May 20/62

My dear Sir

Unluckily we have only power to take one stranger at a time to the Cosmopolitan - I shall be happy to take either you or Mr. Taylor tomorrow night - I sh^d. suggest your writing a line to Forster (who is pretty sure to go) to take whichever of you does not go with me - I dine out, but will take care to be at the Club (in Charles St. Berkeley Square, opposite the church) by 11. There is no reason why you & you

friend shouldnt go sooner, but
you will find nobody much before
10.30 - You have nothing to do
sh? you arrive before me & Foster
but to give our names at the
door & walk up - If there is
any difficulty about Foster let
me know & I will try to hit on
another member tomorrow
morning, but the time is short.
I shall of course be very glad to
make Mr. Taylors acquaintance
~~W.A.~~ in any case - sh? he not come
to the Jos Sunday evening is the
first night I have disengaged, will
he come in in the evening at Park
Street? or he would find me here
any day but Friday till 5 pm -
I got the pamphlet, thanks - Ever
yours Thos Hughes
