W. D. Wright is the
 order superior to Wright

This Lucian Wright. (Quinn Wright.) — I was at Borden town.
 He came and with Joseph, king of Spain. Afterward, under the
 3^d Napoleon, he enjoyed freedom — I think he is now dead.
 When I saw him, he was in a boat, and he was his
 under complete control. He was a stout, hearty fellow. — He
 talked a while with Lord S. Wright, with whom I was
 riding. I think it was in 1828. — I present the 3^d William Wright.
