

Respectable nephew)

December 10 1828

Your mother wished me to drop a
line to you to let you know she got
down safe and that she enjoys good
health. She has a pair of Stocking Knit
for you and would wish you to send
by some safe hand for them, she would
likewise wish to know if you are going to
leave the place or not and when and how
James is and how the people are generally.
You can at anytime write to me if you should
even leave North, it will save expense and give
your mother much satisfaction to hear from
you often, we are all remarkably healthy in
this neighbourhood and have been this season
father and mother for persons of their age
are remarkably healthy it is a great blessing
for old people. I remain your aff^l uncle
