

Philadelphia, May 22nd / 810

Dear Father,

I have just returned to a most fatiguing & unrelaxing
the ^{sale} selling of Susannah at the academy of the Free girls.

and would request that for the future all business that you
wish me to transact, ought to be notified me and not, as
is generally the case, be left to my mother or sister, from
whom the labour is shifted on me, not so frequently
as the lateness of the time renders it impossible, or at
least difficult for me to pay the attention which it
requires.

In the inclosed I have requested Mr Bradley to procure me
some Susannah cigars. I wish you would discharge the account
with him and inform me of the amount of the expenses.

I am indebted to you in the amount of \$2 for payment of
a box of the cigars, sent long since, but as I have charges a-
gainst you of a pair of shoes & some perhaps, unaccounted for, covering
that amount I have liquidated all after having written to return

ad.

The enclosed on the Picken, is for freight & portage, receipt, &c.

Favor me by sending the enclosed to its address

Remember me to all your intimates, and believe me

Yours sincerely
