Dear Cousin,

Just much Esteem & love of W. H. L. is duly received - & I assure you I shall always be extremely happy in receiving letters from you & yourself & other Cousins -

I am extremely sorry to hear that Aunt Mrs. Gude are so unwell. and hope they may soon be restored to health. I have not heard from our Virginia friends for 12 months. Except in a letter from my brother about 3 weeks since he says "I have just rec'd a letter from Cousin E. Hunter, who informs me our friends are all well" - my brother also informed me of Cousin Mariah leaving her unworthy husband & I sincerely hope she may live happy - please give my best love to your mamma, Eleanor, George & Mattie & accept it yourself -

With Sincerely I remain
your aff. Cousin

W. H. L.
