

THE WHITE HOUSE

WASHINGTON

February 26, 1959

Dear Mr. McClintock:

My longtime and valued friend, Admiral Stark, has told me of your collection of Presidential letters and your intention that the letters eventually become the property of Wilkes College, in which I understand both you and Admiral Stark are so much interested. It is my privilege to send you this note, along with my hope that Wilkes College will continue to preserve the traditions of the early days of our country even as it spurs the education of the young men and women of our country for their places in the world of tomorrow.

With best wishes,

Sincerely,

A handwritten signature in dark ink, reading "Dwight D. Eisenhower". The signature is written in a cursive, flowing style with a large, prominent "D" at the beginning.
