

Washington
March 20, 1837

My dear Friend - Mrs Pierce received
Mrs Campbell's note this morning
and read it with deep interest.
As she is too unwell this morning
to write she desires me to express
her acknowledgments. My arrangements
must of course depend upon the
state of Mrs P's health but we
hope to leave this city next
week on Wednesday and to reach
Philadelphia Thursday afternoon.
Will you do me the favor
to call at the La Pierre House

FRANKLIN PIERCE
FOURTEENTH
PRESIDENT
OF THE UNITED STATES

and see what accommodations can
be secured for us - Apartment and sleeping
room adjoining with, a room near
for a maid's servant; would meet our
wants - Mrs Pierce's health will preclude
the idea of ascending more than our
flight of stairs - Mrs Pierce joins me
in kindest regards to especially Mrs C.
the sister - Not forgetting the little
boys -

Ever truly,
your friend
Franklin Pierce

P.S. The arrangement for rooms
may be published upon the expectation
that we shall occupy them during the
month of April -
