Student Clubs

The Student Development Office enhances student life by offering leadership programs, experiential education opportunities, and a variety of extracurricular and social activities for students. A few of the leadership programs offered include the Cultural Series and Experiential Adventure Series, which both provide meaningful out of the classroom learning experiences. The Cultural Series introduces students to the world of art and performance by providing several opportunities each semester to experience visual art, music, theater and dance both locally and in larger Metropolitan areas such as New York City, Philadelphia and Washington D.C. The Experiential Adventure program is an alternative learning experience designed to challenge students to engage in physically demanding activities that emphasize wellness and provide practical leadership tools and lessons on teamwork. Students will have the opportunity to sign up for adventures such as white water rafting, skydiving, hiking and mountain biking.

The Student Development Office also coordinates a weekend entertainment series, which gives students a variety of entertainment options to choose from each weekend. A few of the weekly attractions include indoor rock climbing, ice-skating, skiing, bowling, and horseback riding. Several of the University's clubs are listed below.

University College Programs and Services

ACT 101 Program	A program funded by the Pennsylvania Department of Education to provide academic support and guidance for eligible students.
Advising Services	University College coordinates services for faculty and students to support the advising process. This includes services for "deciding" students and for those who intend to apply for entrance into the Pharmacy major.
Career Services	The Office of Career Services offers comprehensive career education and support for professional career development for the Wilkes community.
Disability Services	The University College Learning Center (UCLC) coordinates the University's policies and support programs for students with disabilities.
First Year Program	A program for first-year students who may benefit from a guided transition to college studies.
Learning Skills Program	The UCLC offers workshops and presentations designed to support student success.
Supplemental Instruction	Supplemental instruction is available for a number of courses for which review sessions have been deemed particularly beneficial.
Tutorial Services	The UCLC offers free assistance to all students enrolled at Wilkes. Tutoring is available in most courses at the introductory-level and in other courses as resources permit.
Upward Bound Program	This federally-funded program offers a comprehensive educational experience for financially-eligible high school students who are first-generation college-bound students.

Community Service

Wilkes University faculty, staff, and students make a difference every year by engaging in local, national, and global service. During the 2004-2005 academic year, the Wilkes community was active in five American Red Cross Blood Drives, Habitat for Humanity, after-school tutoring programs, and multiple service organizations such as REACH and CEO. Wilkes students partnered with King's College during Campuses That Care Week and both schools teamed up with College Misericordia, Penn State Wilkes Barre, and LCCC to begin a multi-campus initiative with Habitat for Humanity which is currently in progress. Wilkes' service stretched boundaries when 8 students traveled to Talequah, Oklahoma to a Cherokee Nation, and 13 toured Germany and Poland, visiting the concentration camps at Auschwitz and returned to educate our local community on their encounters with oppression and injustice. In extraordinary ways, Wilkes' students take risks, gain insight, and become leaders through service.

Athletics

Wilkes sponsors an active intramural sports program as well as intercollegiate competition in 14 varsity sports. Varsity teams compete at the Division III level. The University is a member of the National Collegiate Athletic Association (NCAA), the Middle Atlantic States Collegiate Athletic Conference, Middle Atlantic Conference (MAC), the Freedom Conference, and the Eastern Collegiate Athletic Conference (ECAC). There were over 300 student athletes on the roster for the 2004-05 season.
