Student Clubs

The Student Development Office enhances student life by offering leadership programs, experiential education opportunities, and a variety of extracurricular and social activities for students. A few of the programs offered include the Cultural Series and Experiential Adventure Series, which both provide meaningful out of the classroom learning experiences. The Cultural Series introduces students to the world of art and performance by providing several opportunities each semester to experience visual art, music, theater and dance both locally and in larger Metropolitan areas such as New York City, Philadelphia and Washington D.C. The Experiential Adventure program is an alternative learning experience designed to challenge students to engage in physically demanding activities that emphasize wellness and provide practical leadership tools and lessons on teamwork. Students will have the opportunity to sign up for adventures such as white water rafting, skydiving, hiking and mountain biking.

The Student Development Office also coordinates a weekend entertainment series, which gives students a variety of entertainment options to choose from each weekend. A few of the weekly attractions include free ice-skating and bowling, discounted movie and ski passes and free admittance to local performances at the Little Theater of Wilkes-Barre. In addition, Student Development also coordinates periodic day trips to professional sporting events and theme parks. Several of the University's clubs are listed below.

Community Service

A liberal arts education teaches students to look at the world as a whole, to begin making connections between things like interpersonal conflict and international relations, between education and poverty, between thinking about themselves to thinking about "me in the world." The Community Service Office coordinates projects that bridge service and study. Many academic departments offer service-learning courses that integrate classroom theory and hands-on experience with a pressing social issue. Students explore issues of hunger and homelessness, at-risk youth, access to health care, environmental sustainability, and countless other topics. The students of Wilkes partner with numerous organizations including Habitat for Humanity, the American Red Cross, the Commission on Economic Opportunity (CEO), REACH Inc., United Way, and the McGlynn Learning Center.

Students extend Wilkes' spirit of service beyond local borders by volunteering during Alternative Fall Break in Philadelphia in the fall, and traveling domestically and internationally to serve during Spring Break. Most recently, Wilkes traveled to St. Bernard's Parish, Louisiana to aid in Hurricane Katrina recovery efforts and Monte Christi, Dominican Republic to teach English as a second language in the public school system. In spring 2010 students will travel to Tennessee to work with the Cherokee Nation, Dominican Republic to teach English as a second language, and to Costa Rica to work on a fair trade coffee co-op. The Costa Rica trip is a new Service-Learning cross departmental program coordinated between the Community Service Office and Political Science. In extraordinary ways, Wilkes students are leading, mentoring, learning, and changing the world through service.
