Student Development

The Student Development Office offers educational and social experiences that enhance the quality of student life and learning. A few of the programs offered include the Cultural Series and Adventure Education program, which both provide meaningful out of the classroom learning experiences. The Cultural Series introduces students to the world of art and performance by providing several opportunities each semester to experience visual art, music, theater and dance both locally and in larger Metropolitan areas such as New York City, Philadelphia and Washington DC. The Adventure Education program is an alternative learning experience designed to challenge students to engage in physically demanding activities that emphasize wellness and provide practical leadership tools and lessons on teamwork. Students will have the opportunity to sign up for adventures such as white water rafting, skydiving, hiking and mountain biking.

The Student Development Office also coordinates a weekend entertainment series, which gives students a variety of entertainment options to choose from each weekend. A few of the weekly attractions include free bowling, discounted movie passes and free admittance to local performances at the Little Theater of Wilkes-Barre. In addition, Student Development also coordinates periodic day trips to professional sporting events and theme parks. Several of the University's clubs are listed below.

Leadership Institute

The Student Affairs Leadership Institute, which functions as the coordinating body for all Student Affairs leadership programs, provides continuous opportunities to enhance the leadership skills of students and members of the community. By offering a variety of leadership programs that promote self-awareness, problem solving, service learning and multicultural issues, the Institute empowers students to explore their own personal leadership style. A few of the programs and services offered by the Institute include: Intercollegiate Leadership Wilkes-Barre, National Society of Leadership & Success Speaker Series, Sigma Alpha Pi Honor Society, Leadership Assessments, and a Step-Up Rock Wall and Ropes courses.

University College Programs and Services

ACT 101 Program	A program funded by the Pennsylvania Department of Education to provide academic support and guidance for eligible students.
Advising Services	University College coordinates services for faculty and students to support the advising process. This includes providing advising for "deciding" students and for those who intend to apply for restricted majors.
Career Services	The Office of Career Services offers comprehensive career education and support for professional career development for the Wilkes community.
Disability Support Services	Staff coordinates services and support for self-identified and certified students with disabilities.
First Year Program	A program for first-year students who may benefit from a guided transition to college studies.
Learning Skills Program	This program provides one-on-one assistance as well as workshops and presentations designed to support student success.
Prior Learning Assessment (PLA)	UC coordinates the process to award credit for life experience and serves as the point of contact for interested students.
Supplemental Instruction	Supplemental instruction is intensive academic support available for a number of courses for which review sessions have been deemed particularly beneficial.
Peer Tutoring	Free tutoring assistance is available to all undergraduate students enrolled at Wilkes. Tutoring is available in most courses at the introductory level as well as some other high-demand courses.
Transfer Student Support Services	UC monitors and provides assistance for transfer students to support their success at the University.
Upward Bound Program	This federally-funded program offers a comprehensive educational experience for financially-eligible high school students who are first-generation college-bound students.

Civic Engagement

A liberal arts education teaches students to look at the world as a whole, to begin making connections between things like interpersonal conflict and international relations, between education and poverty, between thinking about themselves to thinking about “me in the world.” The Civic Engagement Office coordinates projects that bridge service and learning. Many academic departments offer Service-Learning courses that integrate classroom theory and hands-on experience with a pressing social issue. Service-Learning is a pedagogically structured learning experience that combines academic coursework and community service to provide students with the opportunities to transfer the skills taught in the classroom to the “real” world. Ideally, students work with community partners to identify strengths and areas of need, develop and implement projects that enhance those strengths or that meet identified needs, and then reflect on the value of the experience for the community and themselves. Through guided reflection, students gain further understanding of course content, a broader appreciation of the discipline, and an enhanced sense of civic responsibility. In 2014, 950 students engaged in academic Service-Learning. One of the most highly regarded service-learning offerings is taught in the First Year Foundations (FYF) course “Be the Change.” This course focuses on collecting and recording the oral histories of veterans, spouses and dependents in Luzerne County. Over the past three years the FYF class has recorded over 250 oral histories from veterans ranging from WWII to the current conflict.

In addition to the in-class service-learning, Wilkes students, staff and faculty contributed over 64,000 hours of community service by exploring issues of hunger and homelessness, at-risk youth, access to health care, environmental sustainability, and countless other service experiences. The students of Wilkes partner with numerous organizations including The American Cancer Society, the American Red Cross, the Commission on Economic Opportunity (CEO), the Disaster Recovery Coalition of Luzerne County, the United Way, and the Victims Resource Center.

Students extend Wilkes’ spirit of service beyond local borders by volunteering during Alternative Fall Break in Northeastern Pennsylvania, and traveling domestically and internationally to serve during Spring Break. In spring students will have the opportunity to interview for one of three trip offerings. Students have the opportunity to travel with faculty and staff mentors to Kentucky to work with Christian Appalachian Project, a program that matches homeowners with building teams, and Dominican Republic to work on public health programs and teach English as a second language in the school system with Guanin El Centro Cultural Toristico. Also the civic engagement office is partnering with a political science faculty to sustain, the Costa Rica service-learning experience with Raising Awareness Worldwide. In extraordinary ways, Wilkes students are leading, mentoring, learning, and changing the world through service.

GLOSSARY

Census Date

The completion of six weeks of classes

First-Generation Student

A student for whom neither parent graduated from a 4-year institution

First-Professional Program

The First-Professional Program requires the completion of the academic requirements to begin practice in the profession; at least two years of college work prior to entering the program; and a total of at least six academic years of college work to complete the degree program, including prior required college work plus the length of the professional program itself.

First-Professional Student

A student enrolled in the Pharmacy Program

First-Time Freshman

An entering freshman who has never attended any college. Includes students enrolled in the fall term who attended for the first time in the prior summer term. Includes students who entered with advanced standing (college credits earned before graduation from high school).

FTE (Full-Time Equivalent)

A full-time Undergraduate, Graduate, or First-Professional Student is equivalent to one FTE

Part-time Undergraduate and First-Professional FTE is calculated by dividing part-time registered credits by fifteen

Part-time Graduate FTE is calculated by dividing part-time registered credits by nine

Full-time Student

Undergraduate and First-Professional - A student enrolled for twelve or more semester credits each term

Graduate - A student enrolled for nine or more semester credits

Graduate Student

A student who holds a bachelor's or first-professional degree, or equivalent, and is taking courses at the post-baccalaureate level

Nonresident Alien

A person who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely

Part-time Student

Undergraduate and First-Professional - A student enrolled for less than twelve credits

Graduate - A student enrolled for less than nine credits

Tenure

Status of a personnel position, or a person occupying a position or occupation, with respect to permanence of the position

Tenure Track

Status of personnel positions that lead to consideration for tenure

Undergraduate Student

A student enrolled in a four-year bachelor's degree program
