

My brain is on fire,
but my thoughts are cold.

The war with the Trojans
was the worst.

I am a one-eyed beast
but I love to kiss.

They say that the men you kill
are carried thereafter in
your mind and soul.

Three eyes, two noses,
three mouths, and
two faces. One head of hair.

Picasso said: "Two-face, three-face,
four-face — I am going
mad!"

"When I feel like a good man,"
said the monk, "God lives even in
the folds of my cloak."

How would you like to be the man
in the moon?

The eleventh round
was the worst.

CAUL VIDAL

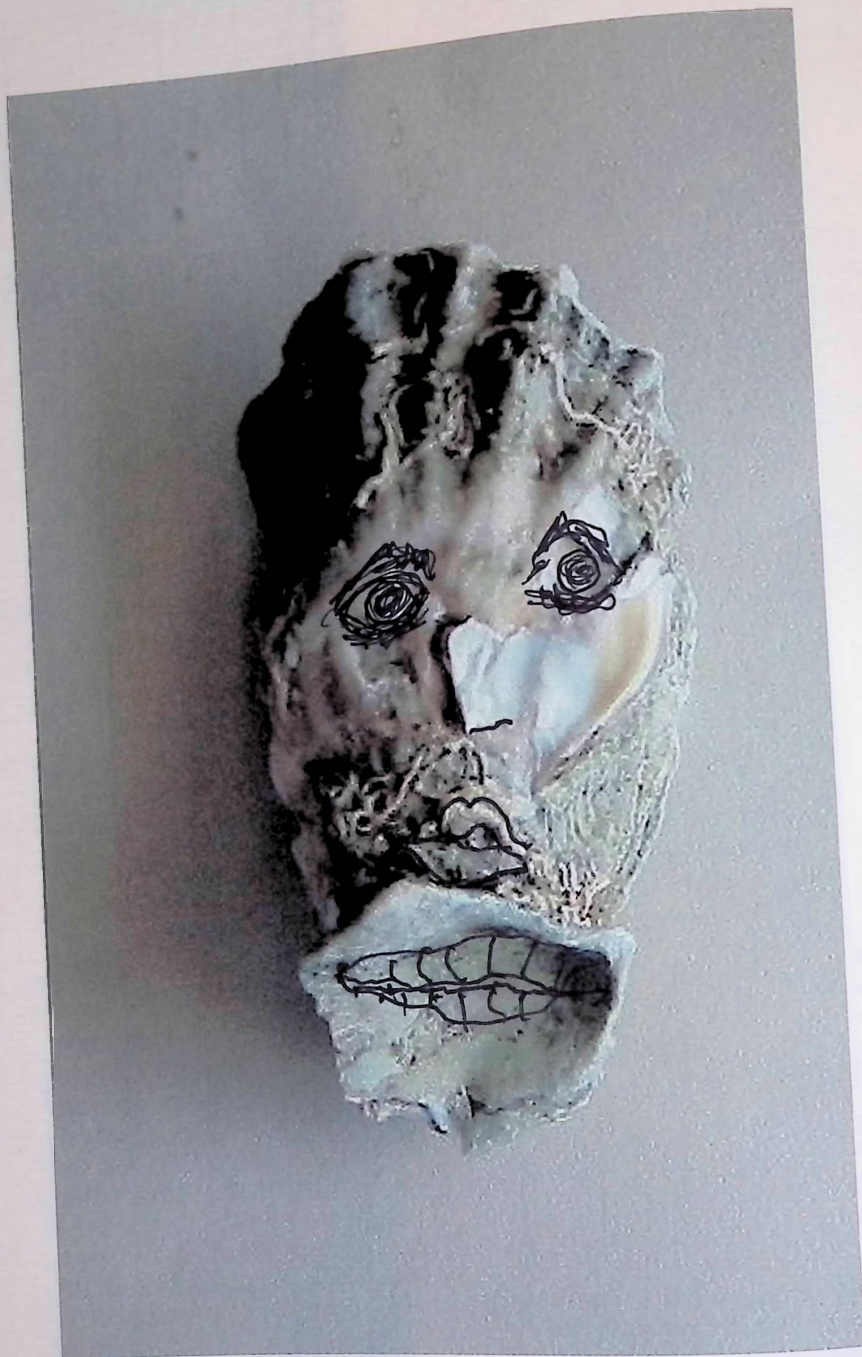

I am the soul of a very old Greek who spoke with two mouths and so went to Hell in an oyster shell.

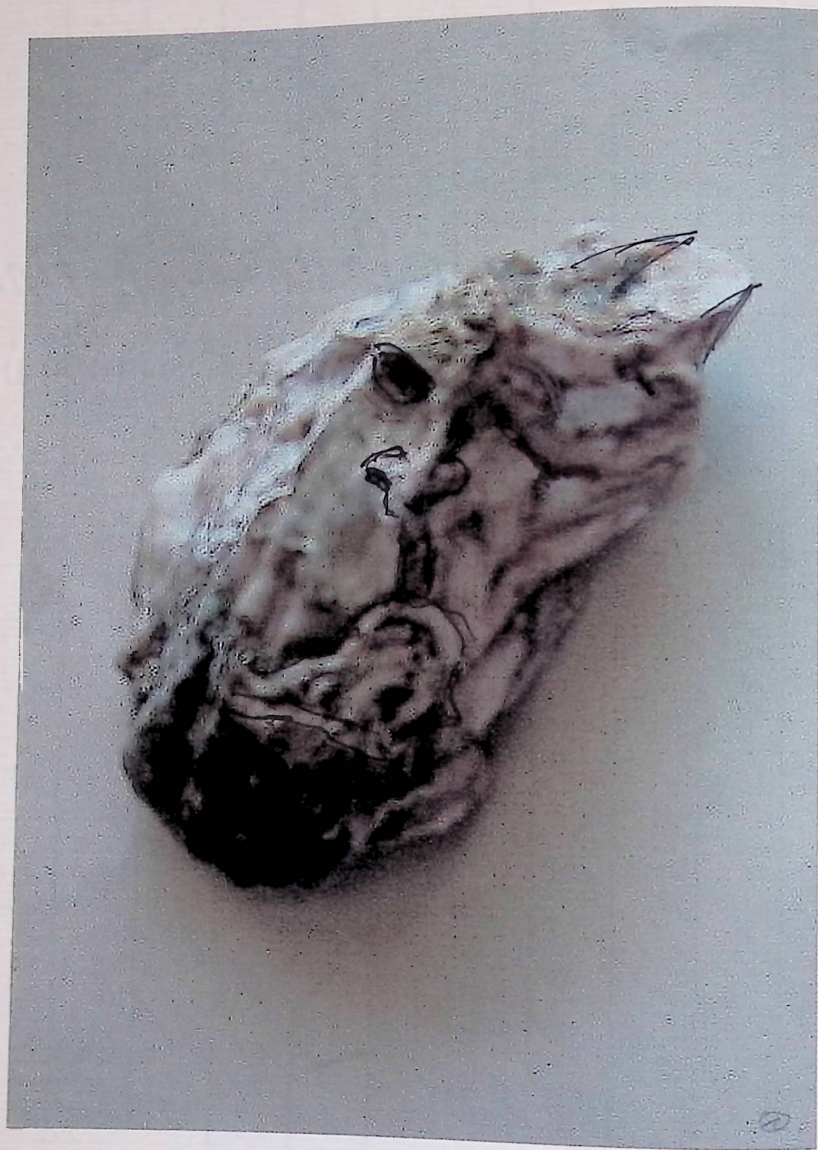

I am the last beauty in a long line of beauties

I need to
go to
Heng the
cost.

I don't know
why the
others
were all
treated as
people
and I live
like a beast

My life as a devil has been
monstrous

I hope to pass as Santa Claus

I'd like to get a hold of Ahab's old log

In my previous life
I was a football coach.
