

- ① Hollywood produces jobs - tell it quickly. ①
- ② Gore's piece but for differences of style could have been written by me. Could it have been?

③ a curious situation. The blend. Could comp.
 Neither of integrity is to be ready to make enemies.
 Political skill is instinct to know when to make deals
 with enemies. A good president of a state, a company
 a complement or a safe company etc etc
 United States has to possess both skills. When
 I became president of PEW, etc. ^(OPEN for collaboration among countries)

History of Vidal's confidence - irrevocably
bound

Dean Juan in U.S.

no debate. what about - who is meant to lead?

Will debate.

I'm not sure we will. ^{still I salute Vidal for taking that high road}

Threat of pushing after that you talk in terms

the decline for satisfaction, we should plan the good
 Each of us has probably been made a fault to the other, then
involvement in any but that there is no turning back
 justice. To settle our differences, we should
 two brilliant diverse languages into unanimity. So
 we look forward. We agree on politics. Not totally,
 we will disagree. I expect on a serious point or
 two before the evening is over. But in the main we
 agree. If Gore Vidal and Norman Maclean can
 make up then the summit in Geneva next week
 is a pot of pasta and a piece of cake.

Well, reconciliation is disappointment. If there were
 not the great thunder, things might be different
 and it's a little light. Let me reiterate over
 the ground I share with Vidal although I must say I am
not at all in agreement with him on many points
my own eye

For instance, I'm not certain it would be more
 difficult for the Chinese to get
 together than the Americans. I do wonder, but
 I pass the question. I am ignorant of much more

Awful marriage. One second honeymoon. The
Second World War. The great disillusion, much mental
disturbance, and social misery. But they have only
other. They cannot give up.

How can a model, Latin America after 70 years
of wars ^{and} depressions, 70 years as bad as the 1930s, and
the country ^{is} now run by a coalition of Mafia ^{and} West-Pointers.
they might wish, (the West-Pointers anyway) to conquer
the world but think of the unstable American public
beneath unwilling to go along on such adventures.
That is according part of the real threat of
the Russians. If they have twice as many tanks as
we do it is because their tanks break down four times as fast
as ours and are ^{rarely} repaired. The mechanics and
the army are ^{the same} as in the rest of the world.
A third world country. Their miserable products do not
suggest ability to deal with sophisticated
technology. They can't compete.

technology. ~~any~~ any comparative analysis.
~~Cam~~ Cambridge request American the for Sino World
 When if, Americans have been treated to a cosmic
seam. It is that the Russians are a threat to us.
 Every politician and media mediocrity in America
 who wants to get on the express elevator of power, the
anti-Communism button

Why does it work?

(5)

Guilt at making money in this country.

Depression psychology followed by wealth.

Fear as Christians that Communism is right & belief

but it is more altruistic and powerful than it really is.

As a Christian nation, a Judeo-Christian nation, we

supposed to be ~~equal~~ more as a country. We know

we are not. In fact with the wealth we possess

and the poor that we begin to ignore for this is very

little concern left in this country for the dignity of

the poor. Thank God for the spiritual ^{honor} ~~honor~~ of in

the ~~past~~ American Catholic bishops who ~~are~~ ^{reminded} ~~are~~

that a country which offers no ~~dignity~~ ^{change} change

for dignity to its poor takes on an insupportable

spiritual burden. ~~that is~~ ^{is} a profound concept. For in

fact, with the wealth we possess and the poor we

are beginning to ignore, something awful is getting

into us. We are becoming a nation of goons and

quack-guns and mercenaries and ~~other~~ ^{next} ~~other~~ ^{quack} ~~other~~ ^{quack}

even as Sam Wolff so brilliantly painted for us.

We have also become a nation that believes in

scenario that Kurt Vonnegut demonstrated to us

unconformably two weeks ago. And we in America

waste our substance with a fall ~~and~~ die

and abundant scenario. It is that Russia is the

Evil Empire. That is nonsense. It is, repeat, a

third world country with a second rate military machine

It will never catch up to us. We can only break down

to its level. And we may in the half century to come

if we continue to hamstring ourselves militarily,

strip mine our productivity and continue to be arrogant

for the proliferation of a world-wide shlock otherwise

known as plastic products.

It then we can see a language that Communism

is the child of plastic even to the use of the plastic bomb.

The Secretary ~~to~~ ^{is} necessary means to police against nuclear adversaries.
 (in the Pearl East) can't begin to deal with the Soviet Union.

Plastic has no regard for nature, terrorism none (6)
for human nature. Terrorism in society is analogous
to plastic in the home. Neither of them ~~fit~~^{offer} ~~any~~^{understand}
~~and comfort~~^{any sense of} ~~at all~~^{any sense of}

This is the week of the summit, however. Tonight is not the night for gloom but for the exploration of possibilities. So, let me in all modesty advance one. ~~I am not a foreign~~ ^{any more,} ~~affair, in fact and here I may know~~ ^{begin,} ~~less~~ ^{than} ~~concerning~~ ^{any} ~~the Near East than any~~ ^{other} ~~president,~~ ^{president,} a thought to provide much modesty. Still, I have a simple idea and I would put it forth. ^{Turn, the way of being} ~~What,~~ ^{is} ~~the~~ ^{the} ~~idea of being~~ ^{the} ~~an American if you can't feel a simple idea~~ ^{the} ~~forth~~ ^{the} ~~Berides,~~ ^{the} ~~I am a writer. Writing tends to~~ ^{the} ~~be a free enterprise, but we do not do it in the~~ ^{the} ~~fields of culture where we search for new ideas.~~ ^{the} ~~Maybe we are the last true entrepreneurs left in~~ ^{the} ~~America~~ ^{the} ~~Adm. on Beyond Corp.~~ ^{the}

America
So I would say: At long last beyond Camp
David some suggestion that America and
the Soviet Union had ~~some~~ ^{common} paths make
peace. Let me propose that the first benefit
of such an arrangement ~~might~~ ^{could} be peace in the
Near East - which is a close to absolute need.
For as we have learned from Iran, if nowhere else,
third world nations with empty bellies and powerful
eyes are ready to go very far. A nuclear war is
more likely to start in the Near East through the
agency of a small nation than any where else on earth.
~~Perhaps a peace treaty of the Near East~~
~~cannot begin to be seen until the Soviet Union~~
~~and the United States agree to~~ ~~it~~
~~man, to guarantee the security of Israel.~~ Only
then will the Palestinian Problem ~~be~~ ^{be} solved.

Only

By joining with America and Israel, the Soviet Union would lose and gain a great deal. Even as Richard Nixon was willing in the most elevated moment of his career to sacrifice his China policy in order to make peace with China, so can the Russians counterbalance giving up their unrelenting ^{economically draining} expense of Arab oil coming as the ^{necessary} price to pay for peace in the Near East. ~~ways of peace of the world that the simple~~
* IF TIME [GIVE THE ECONOMIC LOGIC] the

no nuclear weapons in an
equation. In exchange for losing the great
expense of ~~off~~ partially supporting a number
of Arab nations who will make the most
dubious Communist allies, ^{the Soviet} ~~they~~ will gain in
exchange ^{after} the emigration of ~~about~~ ^{eight} Jews to
Israel, an influx of Israeli technicians
to help them with their own ~~Soviet~~ economy.
Out of that move even die-hard Russian
anti-Semites will prosper for now they will
have strong argument with quipped Israeli
Jews ^{they} to believe living right next door to them

~~2000, then it would be much to drink about~~
anywhere unless you give the biggest coloring in
a nation something good to eat

a nation something to think about.
 Ah well there's much to think about.
~~Let me conclude with a poem, if I may,~~
~~be called a poem. I think another would call~~
~~it a bit. This poem too I don't will express,~~
~~the sentiment of those of you out there who love~~
~~paid a lot of presents and look for the best~~
~~Now as you can see many of your friends~~
~~you as you will think of yourselves as the best~~
 in this little piece.

Become manageable since then Israel, secure, not harassed, can afford to become more generous in its aid, by joining

What I have just proposed is real politics (B)
which is always tasteful. Its only merit
is that it is superior to surrealistic politics
which is all we have right now. Without
peace, without the calm that comes from
not contemplating every night in our
dreams the shadow of holocaust and nuclear
war, to come, we may be able to take a
look at the long catalogue of our profound
problems and our even greater need to
discover artistic solutions. Until there
is peace between America and the Soviet
Union politics is not the art of the
possible but the refutation of our
bears and our prodigious dissatisfaction
~~thank you.~~ See you after the intermission
thank you.
