

Dear Elizabeth,

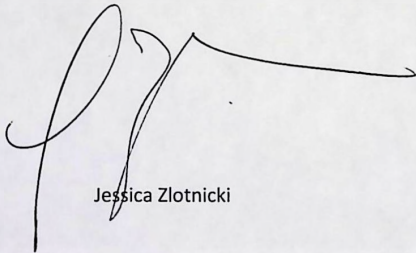

Enclosed in this package is your Mailer Colony membership card and Mailer Colony paperweight: just a couple trinkets to remind you of us. As mentioned before, your title as Mailer Colony 2010 Fellow still stands and we are proud to have you as a member of our community.

We-staff, faculty, and fellows-understand the choice you had to make and hope that the time with your family has been beneficial.

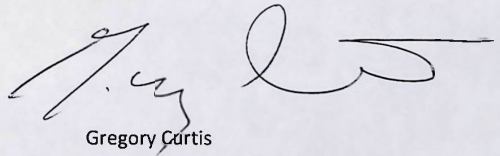

The Mailer Center and Writers Colony is in the process of expanding our programs to New York City. We will keep in touch and hope to eventually meet you sometime in the very near future.

Please keep in touch with us as well; we are here to support you in all your literary endeavors.

Sincerely,

A stylized, cursive handwritten signature in black ink, featuring a large loop at the start and a long horizontal stroke extending to the right.

Jessica Zlotnicki

A handwritten signature in black ink, consisting of two distinct parts: a cursive name on the left and a more graphic, looped flourish on the right.
