From the Introduction:

"Mailer is Proteus. Perhaps no career in American literature has been at once so brilliant, varied, controversial, improvisational, public, productive, lengthy and misunderstood. Few American writers have had their careers on the minds of contemporary critics and on the anvil of public inspection for such an unbroken span; none has been so reviled and celebrated in the same and so many seasons."

Over fifteen years in preparation, *Norman Mailer: Works and Days* is a comprehensive, heavily illustrated bio-bibliography carefully chronicling the extraordinary career of one of America's greatest writers. Its chief ambition is to nominate, delineate, annotate and cross-reference every significant Norman Mailer utterance in print in English, as well as the chief events of his life to date. Mailer's many uncollected essays, interviews, letters to the editor, symposia contributions, poems and ephemera in often obscure or discontinued publications are carefully described.

An indispensable and authoritative Mailer handbook, meticulously prepared and indexed, with extensive cross-referencing.

**Norman Mailer
Works and Days**
contains:

- preface by Norman Mailer;
- introduction by J. Michael Lennon;
- 1,110 annotated and cross-referenced entries ("Works") describing Mailer's books, interviews, limited editions, fugitive prose, poems, etc.;
- pertinent comments (from interviews and prefaces) by Mailer on 32 of his books;
- 45 photographs of his major and obscure publications;
- twenty-one page life chronology ("Days"), 1891-1998, of Mailer and his family, including 41 photographs;
- select, annotated, secondary bibliography (387 entries), including biographies, reviews, bibliographies, cultural backgrounds, critical essays and books;
- appendices delineating Mailer's professional career, including a rating of 412 reviews of 27 of his books in 25 major publications;
- chronology of Mailer's appearances in English language periodicals;
- 280 pp. + xvi

J. Michael Lennon, Professor of English, Wilkes University, Wilkes-Barre, Pennsylvania, has written numerous essays on Mailer and edited three collections by or about him, including *Critical Essays on Norman Mailer* (1986). He serves with his wife, Donna Pedro Lennon, as Mailer's archivist.

Donna Pedro Lennon, a real estate professional, has taught political science at several universities, most recently at Penn State University, Wilkes-Barre.

....helps us keep a complex record straight....Future Mailer scholars will have to begin with Works and Days.

John Whalen-Bridge,
American Literature

....may well be the most comprehensive bio-bibliography ever compiled on any author....This exhaustive, meticulous work is an indispensable research tool for any student and scholar of Mailer and American Literature, and is an essential acquisition for every library.
