AGREEMENT made this 15th day of October 2001 between **CHARLES SCRIBNER'S SONS**, an imprint of the Gale Group, 27500 Drake Road, Farmington Hills, MI 48331-3535 (the "Publisher") and Mike Lennon ("Contributor") regarding the services of the Contributor in respect of **AMERICAN WRITERS RETROSPECTIVE SUPPLEMENT II** (the "Work") edited by Jay Parini (the "Editor-in-Chief").

Publisher and Contributor hereby agree as follows:

- Contributor is hereby commissioned to write and assist in preparation for publication of the following article (the "Contribution") and in the event that Contribution includes material written by or illustrations rendered by authors or artists other than the Contributor, Contributor shall notify Publisher of such inclusions, in order that Publisher shall (1) obtain such permissions and bear the costs thereof; or (2) elect to exclude such copyrighted material from its publication of the Contribution.

Article	Length	Due Date	Payment
Norman Mailer	10,000 words (excluding bibliography)	6/15/2002	\$2500

- Contributor undertakes to perform such commission as a work-made-for-hire on behalf of Publisher and to deliver the Contribution in form and content satisfactory to Publisher in timely fashion as requested by Publisher, time being of the essence. In the event Contributor fails to fulfill his or her obligations under this Agreement and Publisher's specifications, Publisher shall have the right to terminate this agreement upon written notice to the Contributor, in which case all rights in and to the Contribution shall revert to the Contributor and neither party shall have any further obligation to the other thereafter.

- The parties agree that the material prepared by the Contributor under this Agreement shall be a work-made-for-hire. To the extent that such work may not qualify as a work-made-for-hire, it is nonetheless agreed that Contributor hereby transfers and assigns all right, title and interest in and to any material prepared by the Contributor hereunder to the Publisher including but not limited to all copyright rights of every kind, nature and description, the right to register the copyright and to secure renewal and extension of copyright in and to the Contribution and the Work in the name of the Publisher or its designees. All right, title and interest to any materials prepared by the Contributor for inclusion in the Work shall at all times and regardless of the state of completion, be owned by Publisher. The Publisher shall have the right to use any such materials prepared by Contributor hereunder in the Work, in any future editions of the Work, and in any other publication, works, or programs in all forms and media, including but not limited to electronic media now in existence or hereafter devised, without any further payment to Contributor than is otherwise specifically provided for in this Agreement.

- As full consideration for all the Contributor's services and for the exclusive right of the Publisher, its assignees and licensees, to the use of the Contribution in the Work and in any other publications or works, in all forms and media, **the Publisher shall pay the Contributor \$2,500**, upon delivery of the Work by the due date indicated above and acceptance of the complete manuscript of the Contribution, as satisfactory to the Publisher in the Publisher's sole discretion. The Contributor will also receive a free copy of the complete *American Writers Retrospective Supplement II*.

- Contributor warrants and represents that: (i) Contributor is the sole author and proprietor of the material furnished by Contributor hereunder; (ii) Contributor has full power and authority to make this Agreement and to grant the rights granted hereunder, and has not previously assigned, transferred or otherwise encumbered the same; (iii) The Contribution is original and has not been previously published; (iv) The Contribution is not in the public domain; (v) The Contribution does not infringe any statutory or common law copyright; (vi) The Contribution does not invade the right of privacy of any third party, or contain any matter libelous or otherwise in contravention of the right of any third party; and, if the Contribution is not a work of fiction, all statements in the Contribution asserted as facts are true or based upon reasonable research for accuracy; (vii) The Contribution contains no matter which is obscene or matter the publication or sale of which otherwise violates any federal or state statute or regulation, nor is the Contribution in any other manner unlawful; (viii) The Contribution contains no recipe, formula or instruction injurious to the healthy user.

(b) Contributor hereby indemnifies and holds Publisher, any seller of the Work and Publisher's licensees harmless from any damages, including reasonable attorneys' fees, in connection with any claim, action or proceeding inconsistent with or arising out of a breach or alleged breach of warranties, representations and agreements by Contributor herein contained. In defending any such claim, action or proceeding Publisher shall promptly notify Contributor of any such claim, action or proceeding and Contributor shall have the right at the election of the Contributor, to participate in the defense thereof at Contributor's own expense with counsel of Contributor's own choosing.

(c) The warranties, representations and indemnity of Contributor herein shall survive termination of this Agreement for any reason.

(d) Publisher may, at its own cost and expense, take such legal action, in the name of Contributor if necessary, as may be required to restrain any infringement of copyright or to seek damages therefor, but shall not be liable to Contributor for failure to take such legal steps. If Contributor elects to join in such proceeding the expenses and recovery shall be shared equally. If either party proceeds without the other party's participation, any recovery shall belong solely to the proceeding party.

(e) Publisher shall have the right to withhold its reasonable estimate of the total damages and expenses (including reasonable attorneys' fees) from sums otherwise payable to Contributor pursuant to this or any other agreement between Contributor and Publisher, and to apply such sums to payment of such damages and expenses.

(f) Notwithstanding any other provision of this Agreement, neither party shall be liable to the other for incidental, consequential, or special damages or lost or imputed profits and/or royalties. Each party hereby waives any claim that these exclusions deprive such party of an adequate remedy.

This constitutes the entire agreement between the Publisher and the Contributor and supersedes any other understanding or terms, including those expressed in any invoice of the Contributor. This agreement may not be modified except in writing signed by both parties, is entered into and delivered in the State of Michigan, and **SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF MICHIGAN.**
