Finally, the much promised, long awaited, Catalog #22. Publication has been delayed by the purchase of a number of collections as well as attending this year's COPA conference. Hopefully, you will consider the depths of our holdings as some sort of reward for your patience. "22" contains over 2100 items and more arrive each day. Researchers and readers have never had so much to choose from. Wants lists of either material sold out or books not present are welcome. They receive best attention when typed or printed.

Our first class catalog service was started in March 1993, and many of you have enjoyed receiving your catalogs via first class. If you have received this service for a year or more, it's time to renew. Check the front of your catalog. The cost for this service is \$5.00/yr.

Let us know when you move, so your catalog can travel with you. Also, if you can, we would like your phone number so we can contact you if there is a problem with your order. This will help us speed your books to you. All information you give us is confidential -- we do not sell or rent your names.

WE ARE ALWAYS INTERESTED IN PURCHASING COLLECTIONS AND DISTINCTIVE ITEMS ON THE LIVES AND DEATHS OF JOHN AND ROBERT KENNEDY...as well as related items that we carry in our catalog. Please consider us when you wish to sell.

POSTAGE NOTE: Our postage rate for US customers is as follows: \$2.00 for the first item, \$1.00 each additional item. On orders over \$75.00, shipped in one package, we pay the postage, via Book rate. PRIORITY SHIPPING OR UPS: Rate is \$4.00 or \$5.00 per book, depending on weight, and in the case of UPS, distance. More than one item - you are charged the exact shipping costs. NON-US CUSTOMERS: You will be billed for exact postage in all areas of the catalog. Unless you specify, we will ship cheapest surface rate out of the US.

GLOSSARY: We use a few abbreviations in our catalog. Condition of books and dustjackets are listed thus: book / dustjacket. Other abbreviations are: SC - Paperback book; LSC - Large softbound book; FON - former owner's name or inscription; x-lib - former library book; rem - remainder mark; VF - as new or new; F - fine cond.; NP - near VG - very good; G - Good (substantial wear); Fair - worn; GPO - Government Printing Office

This catalog, and indeed my business, would not be possible without the aid of a number of people. My band of brothers and sisters include the following individuals:

Joanne Brown, Ian Griggs, Lise Kirkham, Connie Kritzberg, and Martin Shakleford for postings on the internet.

John Judge of Coalition on Political Assassinations/Open Secrets, Jan Stevens and Walt Brown of Deep Politics Quarterly, John Kelin of Fair Play, Jerry Rose of Fourth Decade, Tony Frewin of Lobster, Jim DiEugenio and Lisa Pease of Probe, Kenn Thomas of Steamshovel Press and Gordon Winslow for listings in newsletters, on web sites and at conferences.

Many mention either the shop or myself in books, classrooms, and conferences, especially Walt Brown, Robert Groden, Harrison Livingstone, Mark Oakes, Martin Shakleford, Ed Tatro, and Harold and Lillian Weisberg.

Finally, a number of you locate the books and/or provide the logistical support that keeps me going. Three deserve special thanks: Gary Nivaggi, a true bibliophile; Gerald Blow, the best book scout in the Republic of Texas; and most especially, Linda Roller of Liberty Bookshop for untold hours on her computer and on the road searching.

Always,

Andrew Winiarczyk
