Hi,

Just a few reminders about your upcoming flight to Cancun:

Please remember to check in at least 2 hours in advance. (anything less than that will jeopardize your getting on the plane

Proof of citizenship is required. Passport is strongly suggested however a birth certificate (original of certified copy with raised seal) along with a photo I.D. is acceptable.

You have been issued electronic tickets. We have emailed you the itinerary which you can print out and take to the airport. If you have not received this please let me know.

Those who have reserved cars through us should have the car information on the flight itinerary. If not, please let me know.

Every attempt has been made to get you advance seating assignments of your preference. This is not always possible as the airlines have dramatically cut back on the percentage of seats they allow to be assigned in advance. If your seat is not your preference, most likely you can switch at check in as they save much of the seating for airport check in

If you have frequent flyer numbers on the airline you are traveling with, please remind them of this at check in otherwise you will not receive credit for the flight.

If you have any dietary request for the flight please let me know.

As always, I am available for any questions.

Have a wonderful time!

Best Regards,
Sammy
