TDK

MADE IN JAPAN

TDK D cassettes equal or exceed the performance of premium normal bias cassettes costing much more. The High Grained Ferric Oxide used in TDK D delivers a flat frequency response with excellent high end linearity. TDK D is perfect for general purpose music and speech recording on all types of home, portable, and car decks.

TDK Cassettes are manufactured and shipped under the strictest quality control standards. If this product proves to be defective in materials or workmanship, it will be replaced. This warranty does not affect the statutory rights of the consumer. (Effectuated only in U.K.)

Note: TDK will not be liable for any injury, loss or damage, direct or consequential, arising out of the use of, or the inability to use, this product.
