Dear Dr. Lucid,

It was a lovely experience to meet you in your office. Meanwhile the invitations have been printed. I hope you won't be disappointed that all "Dr"s have been dropped on the suggestion of Steven Marcus.

I am grateful also for your kind letter of January 13. The information given is perfect for our needs.

The reservation at the Gramercy Park Hotel has been made.

It might please you to know that Diana Trilling will be with us on February 25 as an honored guest.

It certainly will be a great pleasure for me to seeing you again (and listening to you!) and to meeting Mrs. Lucid.

Kindest rdgards

Tony Zwicker
