CELEBRATING OUR DIVERSITY...

A black and white photograph of a brick building. A large, dark banner is stretched across the front of the building, featuring the text "WILKES UNIVERSITY" in white, bold, sans-serif capital letters. The banner is supported by a dark metal frame. The building is constructed of light-colored bricks. Several windows are visible, some with white frames or shutters. Bare tree branches are visible through the windows and in the foreground.

WILKES UNIVERSITY
