

PUCK SENDS HIS COMPLIMENTS TO MR. NAST ONCE MORE!

Our independent artist, finding ideas very scarce this week, has quietly left the last page to be filled by the unfortunate editor, who has been forced to avail himself of one of his esteemed friend Mr. Thomas Nast's patent double-back-action reversible cartoons, suitable to all occasions, and to all weathers.

What is sauce for the *Harper's* is sauce for Puck. The reader can select for himself an idea appropriate to the young woman in the picture. Behold the works of the editorial genius. You pays your money and you takes your choice of ideas. This is a genuine Nast caption.
