 EVERY AFTERNOON AND EVENING.

JUMBO was admitted free of duty, and we'd
 say it was because he carried no valuables in
 his trunk, if we thought five hundred papers
 had not anticipated us.—*Norristown Herald.*

CINCINNATIANS want the name of their city
 pronounced "Cinninahtee." We don't care
 how it is pronounced, but since they voted for
 a deluge of beer and no Sunday, it should be
 spelled "Sinsinnaughty."—*Norristown Herald.*

THE man who is in a hurry, but has to go
 slow because four women ahead of him think
 they own the earth, and insist on walking
 abreast, and forcing every man they meet into
 the gutter, will never feel grieved to have them
 meet four of their own sex coming the other
 way in the same style. Neither crowd will give
 way for a minute, and, when they do break,
 they collide, and have a horrid time, and hate
 each other; and, if a big dog, all mud, will
 only rush in and wipe himself on the nuisances,
 it's ecstasy for the man.—*Boston Post.*

We have studied with great care an es-
 say "On the Application of Electro-Puncture
 to the Treatment of Pulsatile Exophthalmos of
 the Orbit," and, on the whole, conclude that
 it is indispensable for family use. Night after
 night have we been kept awake by the "puls-
 atile exophthalmos" getting on a racket and
 knocking its own orbit askew. If we had only
 had an "electro puncture" or even a bell-
 punch in the house, we should have been happy.
 But now science has stepped in and filled this
 long felt want we are comparatively happy.—
