Admiral Harold R. Stark,

Washington, D. C.

I want to tell you how very
proud and admiring of you we all were at
the commencement exercises of Wilkes College.

You have been wonderful in
your loyalty and generosity, and inspiration,
which has done an untold amount of good to
the Wilkes College.

It was a great pleasure to see
you, and hear you give that very fine address
to the graduating class, and we are all grateful
that you belong to us and continue your great
interest in the Wyoming Valley.

Grace joins me in loving
admiration to you and Kit. Long may you live!

Very sincerely yours,
Charles H. Miner
