Dear Dr. Farley:

I have your letter of July 1. I am looking forward to receiving the data which you sent to me under separate cover.

I talked with Admiral Stark yesterday and it was very encouraging to note the genuine pleasure with which he received the information that I am coming to make an address on the occasion of the dedication of your new building.

At a later date, I will send you the exact time of my arrival and departure. I am not sure yet whether Mrs. Moreell will be able to accompany me. I will plan tentatively to arrive sometime in the morning so that Admiral Stark and I will have an opportunity to talk over old times after lunch and before dinner.

Needless to say, I am looking forward to the opportunity of meeting you and participating in the ceremonies.

With kindest regards, I am

Sincerely yours,

(Signed) Ben Moreell
