to a very poor
advantage: W. Taylor

at school I had
quite a confab with

straw, took a short
walk with Phil

suppressing Mr &
Mrs Laff Harvey

cold & indifferent
upon the subject

Met. Phil after I
had taken it home
and he thinks that
we have not been
treated well; I agree
with him; he wants
me to resent it, and
I certainly shall; I
rather I think I
shall not attend
another surprise in
some time.
Slept in about 1

Thursday 14th
Went to school as
usual. I made the
remark in the Bus
this morning to
Maggie Gray, that
I thought it would
have been better
for all concerned
if I had followed
her example &
staid home last
evening, Anna &
Liz. have acted
very pleasant
all day. I have
been home all

Bunk'd in at 10 o'clock
the evening.
Father in not well.

Friday 15th
Met the girls in
the Reading Room

was obliged to
leave Hakes is for
Wright against the
prisoner. Mrs Gregory
was here this morn-
ing and gave
Smith a lesson
and requested to

see me; I had a
talk with her
concerning the unplea-
santness which exists
between J. A. and
myself concerning her
treatment towards ^{us} at
the Soire some time
since, she seems
to feel very much
hurt, she said her
remarks did not
refer to them in
the least and
that she shall
send them an
apical invitation

to her next Squire
and that she should
feel very much but
it that did not
attend. The Judge
charged the jury
that afternoon
& did not hear
it. The jury came
in with a verdict
of murder in the
1st degree & stood
close to the prison
and he did not
seem to mind
it in the least
he didn't even

say I felt rather more than I ought to
but I guess it's all right I think it at 11

brought her home very
different. I went home with
A.P. about 1/2 past 10
and afterwards
met Carpenter,
Shoaff & Barker.
Carpenter cursed
Mag all sorts
and it is our

opinion and also
the opinion of
others that if
she wishes to
go into good
society that she
will have to
conduct herself
very differently.
