What happens to a dream deferred?
Does it dry up
Like a raisin in the sun?
Or fester like a sore-
And then run?
Does it stink like rotten meat?
Or crust and sugar over -
Like a syrupy sweet?

Maybe it just sags
Like a heavy load.

Or does it explode?

- Langston Hughes

Life

Life is a journey we must embrace.
We should not allow anything to obscure our way.
Life can be unfair sometimes
But if you have the courage to go on
Only then you'll learn the lesson of life:
That in order to survive
You must never give up at all.

- Fritz Delva

The Power of Belief

It is our belief that the human condition
Will triumph and overcome
The forces of evil and ignorance
Wherever they're coming from...

It is our belief that the human spirit
Will deliver or restore
A life of trust and truth
All are striving for...

It is our belief that spiritual power
Will vanquish cruelty and hate
In a world of peace and freedom:
Mankind's mission, majesty, and fate.
