WILKES COLLEGE THEATER PRODUCTION

THE DEFINITION OF LOVE

*My Love is of a birth as rare
As 'tis for object strange and high:
It was begotten by despair
Upon Impossibility.*

*Magnanimous Despair alone
Could show me so divine a thing,
Where feeble Hope could ne'er have flown
But vainly flapt its Tinsel Wing.*

*And yet I quickly might arrive
Where my extended Soul is fixt,
But Fate does Iron wedges drive,
And alwaies crouds it self betwixt.*

*For Fate with jealous Eye does see
Two perfect Loves; nor lets them close:
Their union would her ruine be,
And her Tyrannick pow'r depose . . .*

*Therefore the Love which us doth bind,
But Fate so enviously debarrs,
Is the Conjunction of the Mind,
And Opposition of the Stars.*
