Wilkes Students Entertain At Dinner-Dance

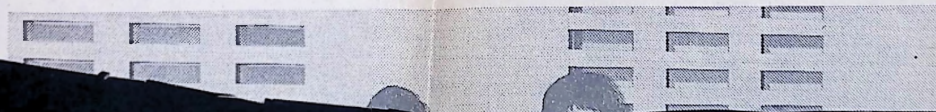

—James Koremchak Jr., Photo

Pre-Holiday Soiree Held Preceding Easter Vacation

The freshman and sophomore classes of Wilkes College held their annual Spring Dinner-Dance recently at the Marco Polo Room, which was decorated in various floral patterns to carry out a Springtime theme. The pre-holiday soiree proved especially attractive to the Wilkes student body, in that it represented the final social event prior to the Easter vacation. A full evening of activity was enjoyed by all in attendance, beginning with an early-evening buffet, which was followed by the traditional "dancing 'til midnight." Shown above are class representatives and their chaperone guests. Seated, from the left, are Susan Littlejohn; Mrs. Donald Tappa, Elizabeth Bruer, Mrs. Stanley Gutin, Mrs. Charles Reif, Barbara Mitchell and Mrs. Francis Michelini. Standing are William Downey, dinner chairman; Dr. Donald Tappa, Charles Lengle, freshman class president; Stanley Gutin, Dr. Charles Reif, Michael Clark, sophomore class president, and Dr. Francis Michelini.
