O, THIS GLOOMY WORLD!

In what a shadow, or deep pit of darkness,

Doth womanish and fearful mankind live!

Let worthy minds ne'er stagger in distrust

To suffer death or shame for what is just . . .

Nature doth nothing so great for great men

As when she's pleased to make them lords of truth;

Integrity of life is fame's best friend,

Which nobly, beyond death, shall crown the end.
