Ted,
PLEASE TRY.
HARDER.

DON'T QUIT

When things go wrong as they sometimes will,
When the road your're trudging seems all up
hill,
When the funds are low and the debts are high
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest, if you must, but don't you quit.
Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about
When he might have won had he stuck it out;
Don't give up though the pace seems slow-
You may succeed with another blow.
Success is failure turned inside out-
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems so far;
So stick to the fight when you're hardest
hit-
It's when things seem worst that you must not
quit.
